Circular

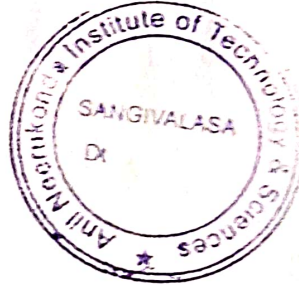

“International student’s day” - November 17th 2023

This is informing to all, the Department of Physics - FED will be celebrating the “International student’s day” on 17th November 2023. On this occasion, the department will be organizing cultural vents (dance, skit, and singing) at central auditorium, A block (3pm to 4pm). In this regard, the students who are interesting can give their names to the faculty coordinators.

Faculty Coordinators

DEPARTMENT OF PHYSICS -FED

Report On

“INTERNATIONAL STUDENTS DAY “

A cultural event was conducted on 17th November 2023 on the occasion of “International student’s day” organised by the Department of Physics at Mechanical Engineering seminar hall. Students and faculty from various departments attended the event.

Prof. B.N.D.Narasinga rao, Head of the department of CIVIL engineering the guest of the event and addressed the gathering by sharing the importance of International student’s day. The programme was started with a prayer song .The student from first and second years of various branches performed their talents in singing and dancing.

The event coordinators Dr.T.Madhavi Latha and Dr.Ch.Komali were lead the programme with the esteemed guidance of Dr.P.Viswarupachary, convenor of this event & coordinator of the Department of Physics, Dr.A.S. Phanikumari, coordinator of English, all the faculty members of Physics department and first &second year students the programme was made successful.

We express our thanks to the Principal for encouraging the students and the faculty to participate in this event.
