## DEPARTMENT OF PHYSICS –FED

### *Report On*

### “National Energy Conservation Day – 14 th December 2023”

**Date: 14-12-2023**

**Venue: Chemical seminar hall**

Department of Physics has been celebrated “National Energy Conservation Day” on 14th December, 2023. On this occasion an event “Elocution Competition” had been conducted to the students of various branches at the Chemical engineering block - Seminar hall. Students and faculty from various departments attended the event.

Dr.P.Viswarupachary, Convenor of this event and Coordinator of the Department of Physics, addressed the gathering by sharing the importance of National Energy Conservation Day. The programme was started with a prayer song .The student from first and second years of various branches performed their talents in elocution completion.

Students from various branches were present and actively participated in the elocution competition. Each participant was given 5 minutes time to share their ideas and thoughts. They had delivered the speeches in such a way that all the audience are motivated to take certain steps to conserve our natural resources to words development of the country.

This programme was conducted with the support and encouragement from the coordinator of Physics, IIC coordinator, Mr. T. Srinivas Rao, and all the faculty members of the physics department the programme was made successful.

We express our thanks to the Principal for encouraging the students and the faculty to participate in this event.
